Supervisor Knabe made the following statement:

“Paradise Landscaping of Torrance recently donated to the Los Angeles County Department of Parks and Recreation a 3,700 gallon Koi pond to be installed at South Coast Botanic Garden. The low-maintenance Koi pond features biological filtration, two skimmers to pick up leaves and other surface debris, two quiet submersible pumps, a center drain to provide better water flow and better water filtration, numerous waterfalls to provide beauty and water aeration, and an automatic fill valve to regulate the water level of the pond. The pond is constructed of rock and gravel to give the pond a natural look.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried (Supervisor Yaroslavsky being absent), the Board accepted with gratitude, the donation of a Koi pond and its installation at the South Coast Botanic Gardens, valued at \$25,000; and instructed the Executive Officer of the Board to send a letter of appreciation to Paradise Landscaping for its generous donation.
